Orders for Hot Lunches... February, March, April, May and June 2010

It is that time for ordering hot lunches for the months of February, March, April, May and June. Our menu for the week will be as follows. Tuesdays we will be offering hot dogs and cheeseburgers (condiments on side) from Fairfield's Super Duper Weenie. Wednesdays we will be offering pizza slices, lightly baked and no spices with cheese from Nauti-Dolphin. Thursdays we will be offering fresh chicken nuggets (5 pc) and fried potato cones (mashed potato balls in a fried breading) from Garden Catering, located on Black Rock Turnpike, Fairfield. Our advice is have your kids try it, they will love it. Finally, on Fridays we will be offering freshly baked bagels with cream cheese, butter or plain with jellies on the side from Bagel Maven in Westport.

Deliveries are made several times during the lunch period in order for all students to receive a wonderful hot lunch. Also, all of the food we are offering is peanut/nut free. If there are any other allergies we will try to accommodate your needs. Just keep us informed.

Please see the attached forms and fill out a separate order form for each child. Payment for all children in a family may be made by one check. Checks should be made payable to "St. Thomas Aquinas School". Place order forms and payment in an envelope marked "Hot Lunch". Complete and detach the form below indicating your desired order for each date.

Please Note: Look out for field trips pertaining to your child's class on the calendar posted on the St. Thomas website.

Orders cannot be changed throughout the semester. If a child is absent we cannot credit you. Because of all of the paperwork and tallying, we will not accept any orders after the due date. **All orders are due on Friday, January 15, 2010, No exceptions.**

If you need order forms just go on to the school website and click on Hot Lunches. If you have any questions please email us at lunches@stasonline.net.
