Supply Lists for Students

2022-2023 [Rev 6.6.22]

Teachers have met together and established some basic student supply lists in order to help you take advantage of summer sales. Please note that since some staffing and class assignment decisions will not be made until August, there may be some additional requirements given to you when the school year begins.

GENERAL GUIDELINES

Basic Supplies

Throughout the year, students in Grades 3 through 8 should always have a supply of loose leaf paper with them at school and available for use at home. Paper ripped out of notebooks is unacceptable for homework or assignments. You should also have a supply of blue/black/red pens at home if your child is in Grade 4 or higher as well as #2 pencils with erasers for all grades. Pencils and pens should be basic types- nothing fancy or distracting is acceptable. Students are not permitted to have or use “white-out” or similar products.

Back Packs

All students in grades K-8 should have a sturdy backpack or book bag without wheels to protect their books and school supplies.

Pencil Cases

All students must have a zippered pen/pencil case and must use this case throughout the year to protect pencils, pens and other basic school supplies. For the safety of all students, pens/pencils may not be carried loose between classes, hallways, stairways.

Book Covers

All hardcover textbooks must be covered all year. Book covers are available at most retail stores selling school supplies.

For your convenience, the two major online distributors of stretchable covers provide online ordering (please do this early since books must be covered the first week of school!).

Classroom Supplies

In addition to personal educational supplies, we ask each student to supply his/her homeroom with boxes of facial tissues and cleaning supplies which should be delivered to the homeroom at the **Meet Your Teacher/Packet Pickup day** in August before school begins or the first day of school.
