

Entering First Grade

Reading to your child and having him/her practice reading is so important for their continued development. We encourage you to join the Fairfield Public Library's (FPL) Online Summer Reading Program. All reading can be logged online by signing up through their website <https://fairfieldpubliclibrary.org/>. Anyone from ANY town can join the FPL Summer reading program, it is NOT limited to Fairfield residents. You have the ability to print out that online log and bring it in at the beginning of the school year. In the fall, if your child returns proof of their summer reading (either printed from the public library online reading program or using one of the book log options below) your child's name will be added to our summer reading display which recognizes the meaningful reading our students did this summer.
