

Family Volunteer Hours (PK-8)

School Year _____

St. Thomas Aquinas Catholic School continues to rely upon the talents and resources of our families to assist with many of our activities. We ask that every family complete this volunteer form for our records. Each family with a student in:

Grades K-8: are asked to offer 30 volunteer hours per school year.

Grade PK only: are asked to offer 15 volunteer hours per school year.

Understanding that work and family obligations can be overwhelming, there are many opportunities to fulfill these hours both in and out of the building. In-school activities may include classroom projects, lunch duty, school events and after-school programs. Out-of-school activities can include paperwork, tallying or computer work for an event. Please contact the chairperson of any of the many activities listed in the directory or the school office to volunteer.

As always, each family can choose to opt-out of the Family Volunteer Program, and in lieu of volunteer hours, we are asking each family to contribute \$20/volunteer hour. We are very grateful for your service to our school.

Please submit this form to the school office once you complete your hours or with your opt-out payment. A completed form is required from every school family by **June 1st**.
